Re: Hazel Parker Playground Reimagined

To Whom It May Concern:

The City of Charleston fully supports the renovation of Hazel Parker Playground. This project reflects what is possible when the City, the Charleston Parks Conservancy, and the neighborhood work together as true partners.

Hazel Parker Playground Reimagined will expand and unify the play equipment, renovate the tennis court and multipurpose field, relocate and enhance the dog park, and add improvements that make the entire playground more usable and beautiful.

We are excited to see the Conservancy enter its next chapter with leadership that knows Charleston's parks inside and out, and we are committed to working together to deliver a playground that welcomes everyone.

Sincerely,

Mayor William S. Cogswell Jr.
